Mr. Palmer is an Associate in the Dallas, Texas office of the firm. He is a registered patent attorney. He has experience in patent litigation and intellectual property disputes as well as multiple facets of the litigation process.

Prior to joining the firm, Mr. Palmer was an Associate at boutique intellectual property firms. He began his law career in patent and trademark prosecution, prosecuting patent applications relating to aerospace technology and managing trademark registration portfolios for domestic and international clients.

Most recently, Mr. Palmer has focused his practice on patent litigation, trying cases for patent owners against multinational corporations primarily involving cellular communications and other

mobile technologies. His litigation experience includes patent and copyright cases in the Eastern, Western, and Northern Districts of Texas.

He also has experience managing complex *e*-discovery projects while overseeing teams of attorneys reviewing a multitude of documents for large corporations involved in patent litigation.
